Education

University of Massachusetts Amherst

Master of Science in Data Analytics & Computational Social Science (DACSS)

Sep. 2025 - May 2027 (Expected)

Amherst, MA

The University of Texas at Austin

Postgraduate Diploma in Data Science & Business Analytics

Jan. 2024 - Sep. 2024

Austin, TX

Virginia Tech

Bachelor of Science in Psychology (Minor in Computer Science)

Aug. 2021 - May 2024

Blacksburg, VA

Relevant Coursework

- Research Design
- Network Inference
- Machine Learning for Social Scientists
- Causal Inference
- Social Media Analysis
- Data Science Fundamentals
- Text as Data
- Intro to Quantitative Analysis
- Statistics for Social Science

Experience

Intercare Therapy, Inc. | Behavioral Health Technician

Jan. 2025 - Jun. 2025 | San Diego, CA

- Collected and reviewed behavioral data during ABA sessions and used client progress to inform session-level adjustments under clinical supervision.
- Implemented reinforcement schedules, prompt fading, and task analysis while maintaining HIPAA requirements and coordinating with caregivers.

Steve Fisher Consulting | Data Analytics & Strategy Consultant

May 2025 - Apr. 2026 | Menifee, CA

- Analyzed client engagement, retention, and conversion data to support business and digital strategy decisions.
- Built KPI dashboards and predictive models for marketing, operations, and customer behavior; improved client-facing workflows and reporting.

Google Developer Student Clubs | Featured Speaker - AI for Mental Health

Aug. 2023 - Nov. 2023 | Blacksburg, VA

- Presented applications of machine learning for personalized mental-health interventions to 150+ participants.
- Built supporting Power BI visualizations and discussed the use of behavioral science and data-driven methods in health technology.

Simple Coaching Inc. | Digital Strategy & Analytics Consultant

Mar. 2025 - Aug. 2025 | Remote

- Used customer journey, SEO, and performance analytics to improve service pages, digital strategy, and customer experience.
- Worked with leadership on new service offerings, digital audits, website improvements, and data-informed outreach.

Projects

Mental Health Signal on Reddit | Python, NLP, scikit-learn, Transformers, Plotly Dash

UMass Amherst

- Collected and analyzed 25,886 posts and comments from three mental-health communities; compared three sentiment methods and three classifiers, conducted topic analysis, and built an interactive dashboard.

Campus Safety Alerts Dataset | Python, BeautifulSoup, pdfminer.six, requests

UMass Amherst

- Built source-specific scrapers for 10 universities and standardized 519 HTML/PDF safety documents into a traceable multi-source dataset.

Evolution of the Billboard Hot 100 | D3.js, Three.js, JavaScript, Python

UMass Amherst

- Joined Billboard chart history with Spotify audio features and built an interactive scrollytelling analysis covering 24 years of popular music.

Technical Skills

Research: Research Design, Causal Inference, Quantitative Research, Behavioral Measurement, Text Analysis, Network Analysis

Analytics: Python, R, SQL, Statistical Analysis, Regression, NLP, Machine Learning

Tools: scikit-learn, NLTK, Transformers, BeautifulSoup, Plotly Dash, Power BI, D3.js

Honors / Awards

The Action Taker Award: Recognized by LISC Massachusetts & the IXL Center for digital strategy and analytics work completed through the LISC Digital Growth Accelerator.
